**CAREER OPPORTUNITY  
WOODWORKER**

McKinnon Furniture is a locally-owned, well-established manufacturer and retailer of high-quality, handcrafted hardwood furniture for the home or office. [[www.mckinnonfurniture.com](http://www.mckinnonfurniture.com)]

The Fit:

We are looking for individuals who share our beliefs about: celebrating the natural beauty of hardwood; making something that lasts a lifetime that is produced locally; serving and selling in a way that is driven by clients' preferences; and continuous improvement of the business and each other

Primary Duties:

- Craft hardwood furniture according to standard specifications or custom drawings
- May work as part of a production team producing parts or components or act independently as a lead craftsman who creates the piece

MUST HAVE shown success in performing in a job that requires:

- Use of woodworking machinery in a production environment demonstrating excellent adherence to safety standards
- Strong attention to detail to produce a high-quality product with minimal defects and limited supervision
- Being consistently on time and dependable in order to meet client expectations
- Working as a team to get things done
- Ability to multi-task different production activities with limited supervision and direction

PREFERRED experience :

- Working knowledge of lean manufacturing culture, concepts, and processes
- Creating and/or reading CAD/SWK drawings
- Working knowledge of common hardwood types and how they behave

OTHER

- *Location.* Kent, WA.
- Hours could range from 24-40 per week depending on volume
- Potential for full-time role with benefits (health care, retirement, paid-time-off)
- Compensation is hourly depending on experience.
